

LATE FEE POLICY

Applicable from 01/01/2023, clients have 7 days to make payments from first receiving their invoice. If payment is now received within those 7 days, any overdue and unpaid balances will be charged interest at a rate of 10% per day until the balance is paid. This new policy will be mentioned on all future invoices.

Reminders will be sent out to clients prior to the end of the 7 days to ensure they have ample chance to pay their invoice before late fees are applied.

If clients are having difficulty paying within the 7 days, they must contact Little Crow Marketing via:

- contact@littlecrowmarketing.com
- Little Crow Marketing Facebook Page
- Little Crow Marketing Instagram Account

in order to discuss the matter with the business owner.

If no contact is made to explain the reason for late payment then late fees shall be applied 8 days after the invoice being sent out. Clients are responsible for checking their inboxes to see when invoices are sent out.
